STATE OF TEXAS  
OFFICE OF THE GOVERNOR

GEORGE W. BUSH  
GOVERNOR

April 17, 1998

**Greetings:**

***Welcome to Coppell for the 10<sup>th</sup> Annual Texas High School Lacrosse League Championship Tournament. This May 9 - 10 event provides a great occasion to meet other lacrosse players from across the state and engage in some healthy competition.***

***Texans love sports, and lacrosse is quickly joining the ranks of more traditional athletics in the number of teams and the opportunities available to players. I commend you and your coaches for the accomplishments that have brought you to this championship, and also your parents, faculty, administrators and fellow students for their support. You must have a great sense of pride in knowing that your hard work has earned you this recognition. You have demonstrated true Texas spirit -- setting high goals and working hard to achieve them.***

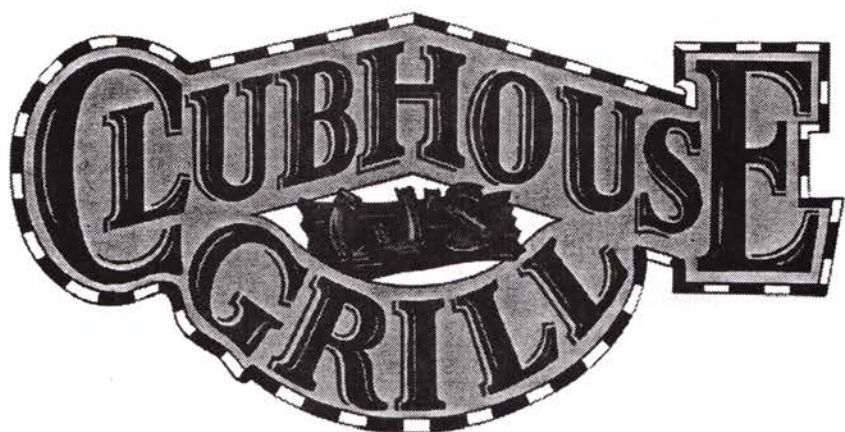

***Mrs. Bush joins me in sending congratulations to the Coppell community for hosting this event and best wishes to all of the competitors.***

Sincerely,

A handwritten signature in black ink, appearing to read "GWB", written over the printed name "GEORGE W. BUSH".

Greetings:

On behalf of the Coppell City Council, I would like to welcome the 10th Annual Texas High School Lacrosse League Championship Tournament to our city. Coppell is known as a young, vibrant community. We are proud of our many youth-oriented activities, and it gives us great pleasure to host this event on May 9 and 10. Coppell loves sports. Our youth soccer, baseball and softball leagues are filled to the brim.

We commend you and your coaches for the accomplishments that have brought you to this championship weekend. Determination, hard work and a decision to strive for a goal have brought your teams to this point. We know that you continue to work hard towards your final goal of Texas High School Lacrosse League Champion.

On behalf of our entire community, best wishes for a successful tournament.

Respectfully,

Candy Sheehan  
Mayor

Dear Lacrosse Players, Coaches, and Fans,

I am glad to take this opportunity to welcome each of you to our community for your championship tournament. Each of you is to be congratulated for the hard work and dedication which has been required in order for you to qualify for participation in this event.

I wish all of you the best of luck in the tournament and I hope that you enjoy our facilities here in Coppell ISD.

Sincerely,

May 9<sup>th</sup>, 1998

To Parents, Players, Coaches and Fans

Welcome to the 10<sup>th</sup> Annual Championship  
Tournament of Texas High School Lacrosse.

Lacrosse in Texas continues to grow due to the thousands of hours committed each year to the sport by coaches, players, school district and city officials, and parent volunteers. The sport's rapid rate of growth is reflected in: the number of individuals and teams participating each spring; the quality of the programs; the depth of talent that graces our playing fields; and the increasing number of Texas youth being admitted into college because of lacrosse. Your commitment to lacrosse also translates into a higher standard of competition for all teams in Texas – regardless of the age or level of experience for each athlete. This is certainly apparent in the quality of the finalists in this year's tournament.

Congratulations to the teams entering the semi-final rounds: St. John's School, the Jesuit School of Dallas, St. Mary's Hall and Lamar High School.

A special thanks to the many people who dedicated their time and resources to this premier event.

Relax and enjoy the spectacle of the fastest game on two feet.

The Tournament Committee

## The Shingle that's a Shade Better.®

A home like yours deserves more than an ordinary composition roof. When it is time to reroof, look to The Premium Choice®: Prestique® roofing by Elk. Prestique gives you three premium shingles to choose from at three price levels - a roof to suit almost any budget. And no matter which you choose, you will be adding value and prestige to your home.

All Prestique roofing products have a UL® Wind Resistant and Class "A" Fire Ratings - the best available. They come in many popular colors to coordinate with your home's exterior.

- Prestique Plus with the *High Definition*® look offers super-heavyweight thickness and attractive shading for an impressive dimensionality unsurpassed in two-ply laminated shingles. Backed by a 40-year limited warranty.
- Prestique I also features the *High Definition* look which creates a visual depth that goes beyond its heavyweight thickness. A 30-year limited warranty makes Prestique I an excellent choice.
- Prestique II with our *Raised Profile*™ look is a definite step up from flat-looking three tabs. These midweight dimensional shingles offer a 25-year limited warranty.

Whether you are reroofing or building a new home, visit our web site or call our Customer Service Department in Ennis, Texas for more information on Prestique shingles, The Premium Choice.

## North Division Summary

### **Ray Maitland**

The level of play in the men's North Division continues to rise. Jesuit and Plano finished league play #1 and #2, respectively, with Jesuit realizing 2 consecutive years of undefeated play. Highland Park and St Marks made it to the regional playoffs once again. Coppell and Greenhill had solid seasons with obvious increases in skilled players. Most teams in the Division began the regeneration process due to the loss of seniors from the prior year, so the future looks promising for these teams.

The Division expanded and now has eight men's JV teams. This expansion was driven by the infusion of players from a strong Junior program, comprised this year of 250 boys in grades 5 through 8.

The North Division's women's league strengthened its 5 teams. These combined with 2 newly created Austin teams (Bowie and Austin H.S.) to form an expanded league with the necessary number of teams to match an existing southern league. The result is, for the first time in Texas lacrosse history, Women's Texas high school all-star and championship games are being held May 9th in Coppell, Texas.

The State women's league could not have been possible if it were not for the contribution of many people to the organization of new teams, supported by instructional clinics. There are two clinics coming up. The contact for the instructional clinic is Betty Guilliams at 214/ 352-1772, ext. 106. Please call Rose Banzhaf at 972/ 234-3874 about the officials clinic.

## Central Division Summary

### **Bruce Clark**

Lacrosse continued to elevate in Austin and San Antonio this year. Once again, the coaches and players in the division set a high standard for the quality of play for all division teams.

The division was led by St. Mary's Hall with its second undefeated season in conference play. St. Mary's Hall displayed a strong, balanced team in all positions. Tyler Turlington, sophomore midfielder, led the offense; he will return balanced team in all positions. Tyler Turlington, sophomore midfielder, led the offense; he will return as a member of the North Allstar Team. Anchoring St. Mary's defense is junior defenseman, Greg Bice, and senior goalie, Garrett Cox.

Equaling St. Mary's strength is Austin High. Austin finished the conference season with only one loss to St. Mary's Hall, a team it will meet again in the playoffs. Austin's first playoff win was against strong rival Westwood High with a final score of 16 - 6.

Westwood High, Central Catholic and Westlake High rounded out the strength of the division with records of 6-2, 5-3 and 4-4, respectively. This finish is indicative of the parity in the Central Division.

Rounding out the division standings, McNeil, McCallum, and Bowie all finished very close. All 3 teams are young and expected to continue to improve next year.

Special congratulations to Anderson High and its first year in the league. Although Anderson finished last in the division, the coaches from the Central Division were impressed with the athleticism and skill displayed by the starter program.

Congratulations to all the players, parents, coaches and volunteers who made this year possible!

## South Division Summary

### **Doug Surant**

The 1998 season was an excellent one for the South Division. Preseason expectations were that two-time defending state champions Kinkaid and 1997 semifinalist St. John's would continue their dominance of the division. Several other teams were poised to make a run for the other two

divisional playoff spots.

Early season action in the annual Aggieldand Classic saw participation by public schools Lamar, Bellaire, Kingwood, and Cy-Fair. Lamar took 3 wins on Saturday against McNeil, Berkner and Cy-Fair to reach the finals. The Redskins took a 5-0 half-time lead and went on to a 9-4 win and the tournament title.

Kingwood hosted their first Jamboree tournament in February in what is hoped to be an annual event. The tournament featured a round-robin type format designed to provide competitive and inter-divisional matchups between teams that have never or only rarely played each other. Austin High, Westwood, and Plano came from out of town to participate against the local teams. The Kingwood Jamboree was a first class, first year event!

In March, Lamar went to the Golden Gate Invitational in the San Francisco Bay area and stunned the California natives by taking home the title.

St. John's took their spring trip to the popular San Diego Lacrosse Festival and continued the excellent showing of Texas teams in California going 4-2-1. (And, yes, we know, Earl's SMH team also played great lacrosse in the San Diego event!)

Kindaid's spring trip took them east to Florida where they played several Orlando area teams with convincing wins. The only blemish on their trip was a loss to the defending Florida champs, 12-6.

In closing, congratulations to coach Rusty Genson in his last year at the helm of the Memorial High's Mustangs. Rusty will coach closer to home in Sugarland next year with new blood already identified to pick up the reins at Memorial.

# Have you done your homework on the rising cost of college??

We can provide a free college cost analysis that will show you:

- ◆ Approximately what the college of your choice is expected to cost in the future;
- ◆ How much you'll have to save monthly or annually;
- ◆ How to develop an investment plan that can help you meet your savings goal.

Call or stop by for more information.
