Close games were also a theme for Kinkaid as they started off the season with a (7-8) loss to Austin High School, followed up with a (5-4) win over Strake Jesuit , a (7-4) win over Westside, and a (10-9) win over Kingwood. After a (10-7) loss to The Woodlands, Kinkaid in their next game fought off a late rally by Lamar to win (13-12). Eventually going 5-3 in the district, Kinkaid in a rematch with Lamar, narrowly won (5-4) in overtime in the first round of the play-offs. As a #4 seed in the playoffs, Kinkaid in the next round faced the eventual District Champion St. John's, losing (6-10). Earning All-State Honors for Kinkaid this year are Peter Franklin at midfield and Charles Herder at defense in addition to Jack Howell with All-District honors. Coach Ryan Frost has consistently improved his team in each of his three years at Kinkaid and is poised to continue to do so in the future.

Lamar started their season by defeating Westside (14-7). After losing to St. Mark's (3-7) in an Inter-district game, Lamar defeated Strake Jesuit (8-1) and Clear Lake(14-6) before coming up short in their game with Kinkaid(12-13). Perhaps the brightest spot in Lamar's season was found in their victory over The Woodlands, winning (10-9) in overtime, one of only two district losses The Woodlands would suffer all season. A perennial participant in the playoffs, Lamar faced Kinkaid in the first round, and again lost by one goal, this time in overtime. Lamar will have some rebuilding to do in 2006, as All-State players Nick Reiland and David Vollmer and All-District player Stewart Byrd will all be lost to graduation.

In their first year in Division I, Westside played well enough to earn the last playoff in the District, in spite of losing senior Phillip Weiss at attack due to injury. Westside racked up victories over Kingwood, Strake Jesuit and Clear Lake for a 3-5 district record. Senior Joseph Meyer at midfield earned All-District honors for Westside.

Second year Division I member Strake Jesuit experienced a bit of a drop off this year under first year head coach Paul Washington. Strake had their problems getting their offense going this season, but could defensively count on the efforts of junior All-State goalie John Paul Cashiola. Strake's prospects to improve in Division I look promising given the huge participation and popularity of the sport at the school.

Kingwood's poor record this season belied the improvement in Coach Andrew Arcuri's program. Losses to Kinkaid, Westside and Strake Jesuit were all decided by one goal. Another program with a large youth and middle school program, Kingwood looks to improve further in the coming season.

Having moved over from Strake Jesuit, Head Coach Paul Dimarco had a very difficult first year with Clear Lake. In working with his middle school program, Coach Dimarco hopes to improve the quality of players Clear Lake is bringing up as freshman.

The April 23, 2005 article in Sports Illustrated noted that "lacrosse is the fastest growing game at every level", and this is certainly true for high school lacrosse in Texas. To meet this demand, new teams need coaches, existing teams need resources such as field space, access and acceptance in their schools, and all teams need qualified officials for their games. Lacrosse in Houston at the youth, middle school and high school level need parents of today's player to be active and volunteer their time to improve the quality of the game in Texas for future players. To volunteer, you can visit our website at [THSLL.org](http://THSLL.org) or you can email me at [lbdonoghue@aol.com](mailto:lbdonoghue@aol.com).
