Players, Coaches, Administrators, Officials, Parents, and Fans,

Welcome to the 30th Texas High School Lacrosse League Boys' State Championship Weekend in Round Rock, Texas!

Our hosts, Round Rock High School Dragon Lacrosse, have worked very hard planning and preparing for a weekend showcasing the best high school lacrosse in Texas. Enjoy the food, the fun, and join in celebrating the achievements and hard work all these teams have put in to make it here.

To make it to this point each THSLL Member School Program has worked very hard and demonstrated the dedication and commitment to excellence required to compete at the highest level. Some of our THSLL Member School Programs have been here many times and others are new to this event, but all have worked hard and sacrificed to make it. This is a special event for the various THSLL Member School Programs and we ask that everyone join in celebrating the accomplishments of all the teams involved and positively support your team and demonstrate good sportsmanship - win or lose. We cannot control the outcome of the games, but we can control how we act and the impression we make on others so join in setting the right example for the young men on the field and young people in the stands.

The THSLL strives to create a framework supporting the rapid growth of lacrosse in Texas. Our goal is to have an environment that encourages development of these young men through positive life experiences with teamwork, fair play, and sportsmanship.

The league has approximately 4,500 players representing 166 teams from 98 THSLL Member School Programs across the State of Texas. Each THSLL Member School Program has a dedicated group of parents, school administrators, and supporters that are a big part of this growth, so we thank everyone that works behind the scenes to support the teams.

Please join the THSLL Board of Directors in congratulating all the teams across the State of Texas for a great 2018 THSLL Season. It is a privilege to recognize the teams that are here this weekend and the other honorees that will be announced on Sunday.

Enjoy a great weekend of lacrosse and thank you for attending the 2018 THSLL State Championship Weekend!

Ray Martin,
THSLL Commissioner

CONGRATULATIONS

A student's involvement in extracurricular activities, including athletic programs, gives them countless opportunities to develop their talent as a student-athlete, leadership skills and the ability to collaborate with others. These skills are essential to providing a solid foundation for the academic and life successes in the future and thousands of districts, and most certainly Round Rock ISD, strive to give students every opportunity flourish.

Thank you for your support and attendance here at Texas Lacrosse State Championships. For those of you visiting our Destination District, welcome to Round Rock ISD. We take great pride in celebrating our students and schools and hope you enjoy your time at the tournament.

Student-athletes spend countless hours developing their skills while maintaining their academic responsibilities in the classroom. Their drive to perform at the highest level both academically and athletically speaks volumes to their dedication and worth ethic. Traits that should indeed be commended for possessing. However, student athletics is not accomplished solely by the student: it takes a partnership between an entire family and a team of educators serving as coaches and mentors to achieve a common goal of bettering the life of the student. Thank you for partnering with your student or team.

We wish all students a safe tournament and the best of luck.

Respectfully,

Steve Flores, Ph.D.
Superintendent of Schools

Texas State Lacrosse Championship Attendees:

On behalf of the City of Round Rock and the Round Rock City Council, I would like to welcome you! As the Sports Capital of Texas, we are excited to have you competing in the City of Round Rock. I trust that you, your families, and spectators will have an amazing experience while in our city!

We wish all of the competing athletes the best of luck and congratulate all you on being a part of this state championship. Enjoy your weekend in Round Rock and Good Luck in your matches!

Sincerely,

Craig Morgan
Mayor

History

The Texas High School Lacrosse League (THSLL) (the "League"), though not named at the time, started with three high schools in Houston, Texas in 1987: Kinkaid, Memorial and St. John's. The teams were started by three energetic student athletes from each school, all friends.

The first champion, St. John's, was crowned in 1988 in an unofficial tournament. Since that time, the sport of lacrosse in Texas has grown exponentially, fueled by other energetic young student athletes, coaches, administrators, and fans. The first official THSLL State Champion was Lamar, crowned by Randy Bryan the THSLL Commissioner, in 1989, after a hard fought victory over St. John's.

Overview

THSLL has 89 Member School Programs with 160 Varsity and JV Teams and over 4000 high school student athletes across the State of Texas. The Texas Scholastic Lacrosse Association, Inc. (TSLA) is the governing body for the THSLL. The THSLL is the membership association for boys' lacrosse (THSLL Member School Programs) at the high school level in Texas, defined as grades nine through twelve.

Guiding Principles

1. Creating a structured environment in which student athletes, coaches, administrators, and parents benefit from membership in an organization that facilitates the growth and rewards of playing lacrosse.
2. Promoting and protecting the health of participating student athletes by establishing uniform rules of play and cultivating the ideals of good sportsmanship, loyalty, and fair play.
3. Working in harmony with the interscholastic governing bodies of THSLL Member School Programs, and other concerned Texas constituencies.
4. Establishing and maintaining a process for continuous improvement of the League, by working with THSLL Member School Programs, and other concerned Texas constituencies.
5. Building school based boy's lacrosse Teams in Texas (all players on a Team attend the same source high school, ideally lacrosse is recognized as a school sport by the athletic director, and if a public high school recognized as a school sport by the independent school district.)

Member Teams

Member Teams consist of Varsity and Junior Varsity Teams, and the League is divided into Districts and Divisions.

Division I	Division II	Division III
North	North	North
Central	Central	Central
	San Antonio	San Antonio
	South	South

Division I is made up of Member School Programs that are more established lacrosse programs. DI teams have bylaws, procedures, a designated head coach and president, reasonable relations with their host school and/or city/community, and a JV and Varsity high school teams which play a full back to back JV and Varsity schedule.

Division II is targeted at development of lacrosse programs. Division II Member School Programs generally have bylaws, procedures, a designated head coach and president, reasonable relations with their host school and/or city/community, and at least JV and Varsity high school teams.

Division III is made up of new or relatively new lacrosse teams, still working towards critical mass of players, coaches, funding, fields, administrative support and school / city / community support.
