Players, Coaches, Parents, Officials and Fans,

On the behalf of my fellow THSLL Board members, I would like to welcome you to the 32nd Texas High School Lacrosse Championship at Turner Stadium in Kingwood, Texas. As you can imagine, this event takes an enormous amount of preparation and effort to execute. The Kingwood Lacrosse program has worked very hard as our host for this final weekend of games of the best boy's high school lacrosse teams the State of Texas has to offer.

Three and half months ago, the 94 member teams of the THSLL started their seasons with the goal of competing to the best of their abilities and perhaps advancing to post season play. The teams represented this weekend have overcome district play, district playoffs and the Super Regional playoffs last weekend to advance to this final test of their lacrosse skills. The players and coaches of these teams should be very proud of this outstanding achievement.

After our 2020 season ended abruptly due to COVID-19, we all welcomed the chance to play lacrosse again in 2021. This year saw also saw the implementation of a complete league restructuring, which replaced THSLL Division I, II, III with THSLL Classes A, B, C and D. Using the criteria "like teams playing like teams", teams were slotted in one of these classes. Roster size, school size, team or club maturity and other characteristics determined the placement.

Another major feature of the league restructuring is a new playoff format which split the top eight Class A teams into Class AA for the THSLL playoffs. Highland Park, Dallas Jesuit, The Episcopal School of Dallas, and The Woodlands will compete in the 2021 THSLL Class AA State Championship as the best teams in Texas high school lacrosse. The balance of teams left in Class A compete in a 16-team bracket culminating in a Class A Championship. Nearly all of the Class A Super Regional games were great competitive matchups between teams that may not have played against each other in the old format.

For Class B, the top 16 team from the Central, North, and South Districts compete for the Class B Championship. Representing Class C, Magnolia (South District) and Grapevine (North District) will compete for the Class Championship out of an original field of the top two teams from Central, North, South and San Antonio Districts. Finally, Class D, representing our smallest and newest teams, will see Bridge Lacrosse and Trinity Valley battle it out to be the Class D THSLL Champion.

This weekend is about celebrating the teams who have advanced to championship weekend and enjoying the competition to see who will become the 2021 THSLL Class AA, A, B, C and Champions. Thank you again to the Kingwood program for hosting this event and thank you for attending this great weekend of lacrosse.

Joe Donoghue

THSLL Commissioner

## Welcome to State District Finals Turner Stadium and Kingwood High School Stadium

Texas Lacrosse Players and Family,

Welcome to Humble ISD, home of the Kingwood Mustangs Lacrosse program.

As you spend the weekend cheering for and supporting your team, think about the larger community that we are all a part of. Together, we are all a part of something truly remarkable. What an amazing opportunity that we have built for our boys. Take a moment to thank all of our volunteers. Take a moment to cheer on EVERY team. Take a moment to recognize your coaches, board members, parents, and players. And yes, you even have to thank the referees!!!

It takes a village to do great things, and we hope you enjoy spending the weekend in our village, as we celebrate Texas Lacrosse.

Enjoy yourself, cheer loud, and thank you for supporting the THSLL State Tournament.

Thank you,  
Miles Kenny  
President, Kingwood LAX

## Welcome to State District Finals Turner Stadium and Kingwood High School Stadium

Welcome to Humble ISD!

We are honored to be hosting the 2021 Texas High School Lacrosse League Boys State District Championship Games. We hope that our facilities, both Turner Stadium and Kingwood High School, provide a comfortable and competitive atmosphere that encourages the best from each team.

We appreciate the hours of hard work and preparation that you have put in prior to this weekend-long event. The great accomplishments of these students are not based on the outcome of the games, but rather on what they receive through their participation. Through involvement in lacrosse, players demonstrate loyalty, dedication, discipline and sacrifice. These qualities will help students continue to be successful throughout life.

Troy Kite  
*Executive Director for Humble ISD UIL Athletics/Fine Arts*

On behalf of Humble Independent School District, I want to welcome you to our community!

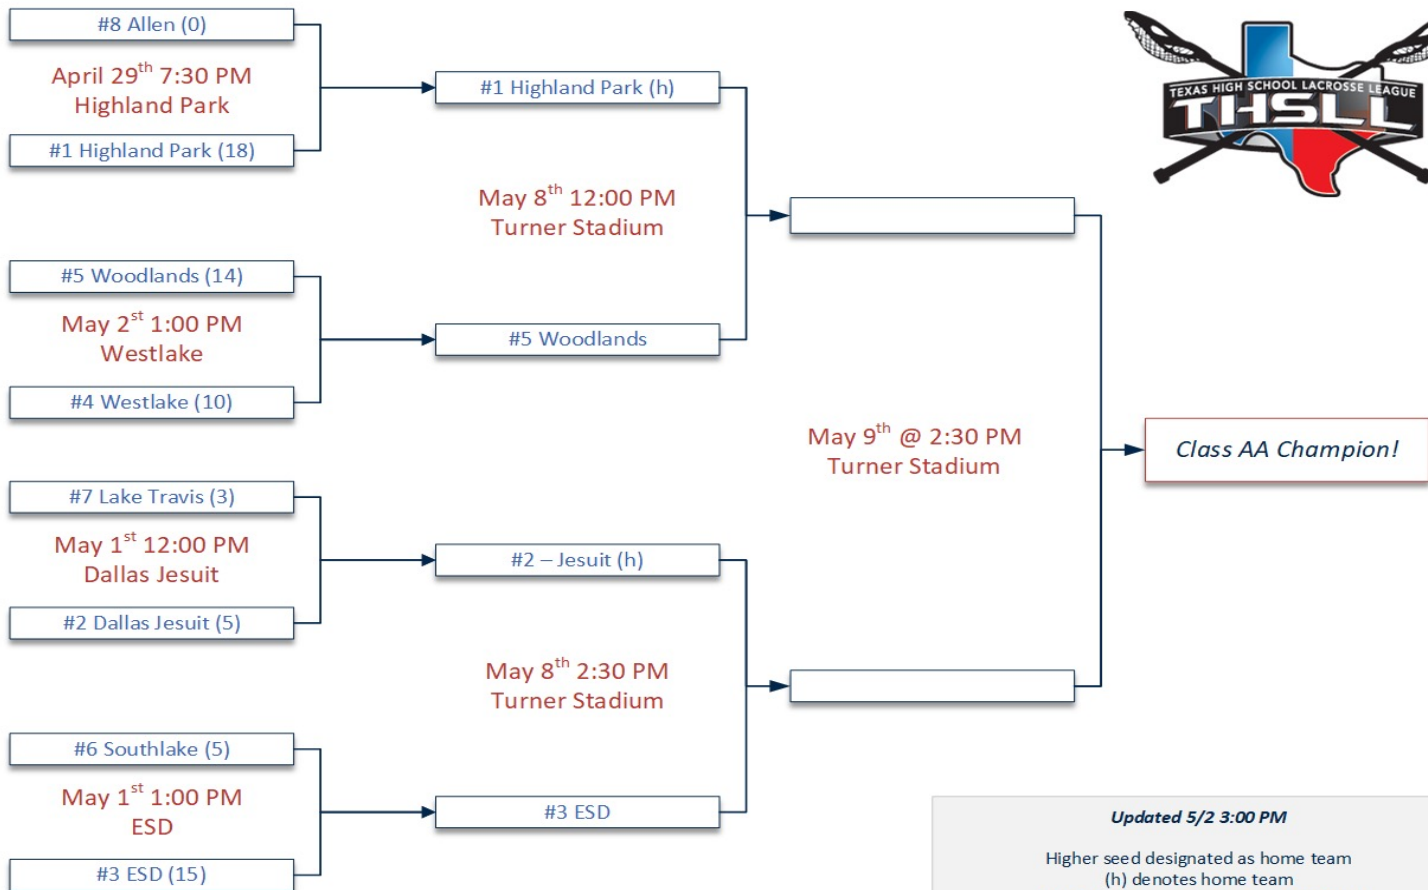

We are honored to work with the Kingwood Men's Lacrosse Club to host this exciting event. The student athletes competing this weekend have learned sportsmanship, teamwork, cooperation, perseverance, and so much more that will help them become well-rounded, productive citizens. Our community's engagement and support for education is second to none, and I thank you for being part of it.

We wish all of the players, coaches, and families our best wishes as you enjoy the thrill of competition this weekend.

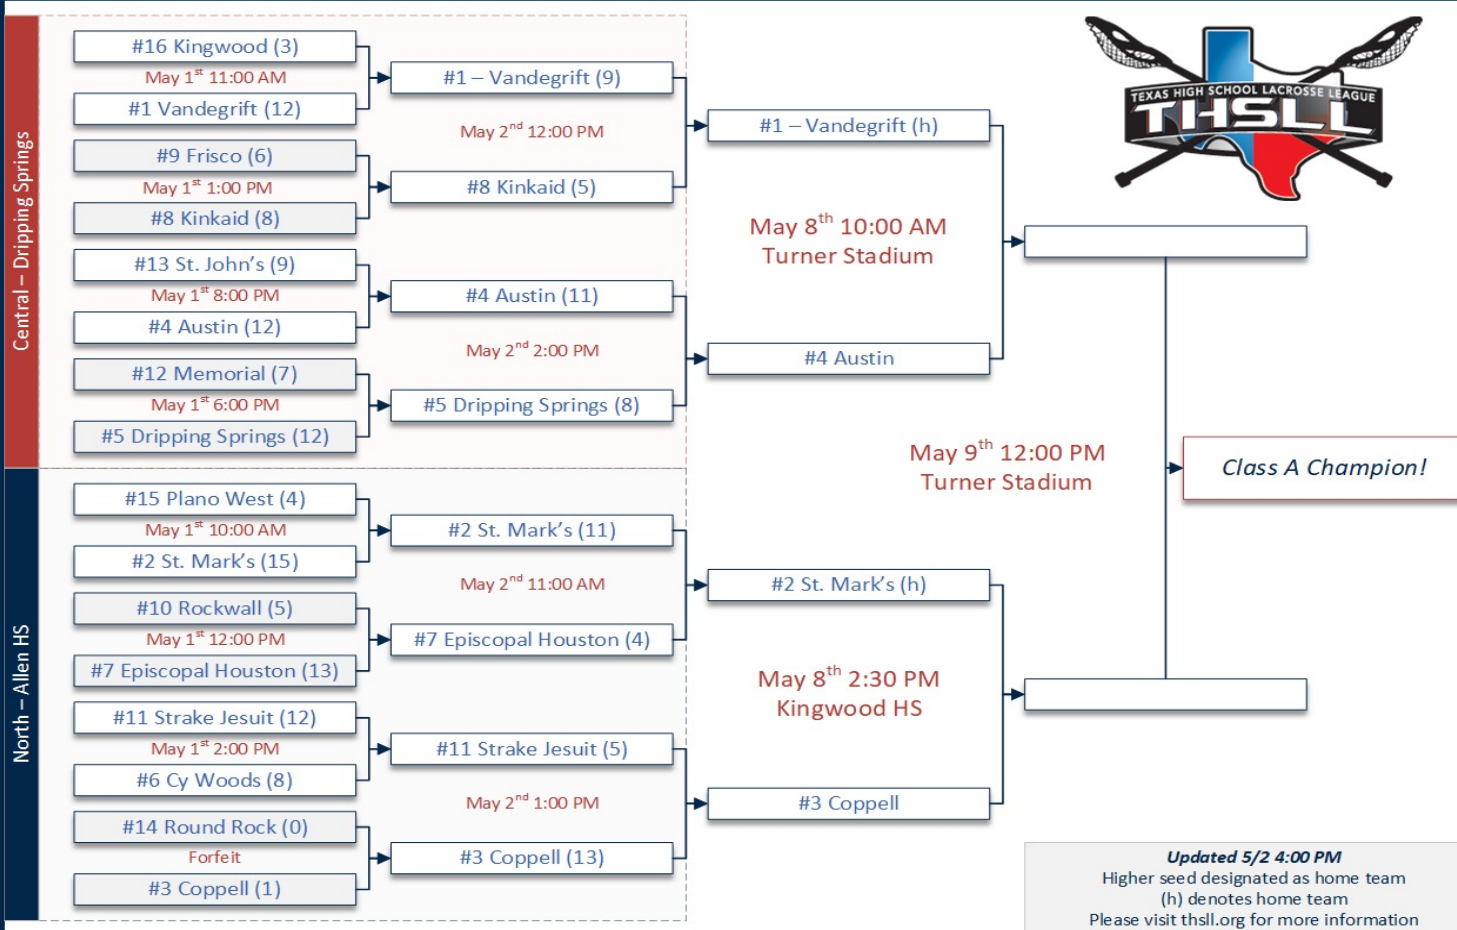

Dr. Elizabeth Fagen  
*Humble ISD Superintendent of Schools*
