

THSLL Minutes September 7, 2017

Voting Members Attending: John, Jay, Jim, Joe, Mike, Ray

Not Attending: Al-proxy to Ray, Chris K.- proxy to John E. Chris S.

Discussion: Post-Harvey implications related to the South District

- Joe communicated with the South District to assess what problems the teams may be having as a result of the flooding. Joe asked for a general update of the status of the teams to identify problems serious enough which may delay or prevent teams from participating in fall organizational meetings or the upcoming season. Also, if any facilities (game and practice fields) or equipment were lost.
- District and a state meeting are normally held in September, but these meetings will be pushed back probably until mid-October or perhaps November, and hopefully you will be able to attend these meetings.
- There are disruptions to cell phones, internet and a lot of clean up ahead. To date Joe has not heard from Kingwood, Kinkaid or Memorial. There are still several DII teams who have not responded. Joe will follow up next week with teams.
- Jim motioned to approve the motion made by Joe that THSLL will schedule the state meetings mid to late October. Jay seconded, all in favor.
- Depending upon responses and if teams are unable to pay team dues or field a team, the 2017-2018 budget may need to be revised.
- Ray will draft an email to the Member Teams communicating the delay of state meetings.

Meeting adjourned 7:45 p.m.
